

**TM Update 2021-006
November 15, 2021**

The following Tech Updates were approved by the Board of Trustees, and are effective immediately.

The following is an update to the 2021/2022 WKA Tech Manual, section 115.1.1 – HELMET CAMERAS

115.1.1- HELMET CAMERAS

Change to:

Cameras may not be mounted on helmets in any way, if the helmet has been manufactured (OEM) without a camera.

Cameras embedded in helmets during the manufacturing process are permissible ONLY if the helmet is FIA Homologated and listed in FIA Presentation Forms for Advanced Helmets, Standards 8858, 8859, and 8860.

E8) IN-HELMET-CAMERA DRIVER'S EYE 2021-LW
